WINDAMERE HORSE HAVEN

HORSE SPONSORSHIP

From only \$10 a week up to a nominated amount of your choosing, you can help contribute to saving the rescue horses at Windamere Horse Haven. Sponsorship is Windamere's main source of income, so every little bit helps.

Your sponsorship money will go toward providing the horses with necessary care – feed, veterinary care, farrier and dental work as well as other specialised care such as chiropractic and/or body work treatments.

Sponsors will receive a copy of Windamere's newsletter approximately three times a year. You can also follow us on facebook to keep up with all our news and follow the progress of the horses.

By arrangement, sponsors may be able to visit some of the horses at Windamere's Mt Torrens property.

Sponsorship can be cancelled at any time. We ask, please, if you could inform us of cancellation.
